

**INTEGER: IN THE SPOTLIGHT**

**EU INTEGER COLLABORATORY UNVEILED:**

The EU INTEGER Collaboratory project aims to foster collaboration among individuals and institutions from the quadruple helix in regional innovation ecosystems. This initiative responds to the critical need for stronger connections between regions and actors to maximise the potential of EU innovations.

In a historic moment that promises to redefine innovation and collaboration in the realm of health and wellbeing, the EU INTEGER Collaboratory was officially launched during the #OpenLivingLab Days, that happened last September 23.
