

AFEdemy Newsletter #2

**THIS NEWSLETTER INFORMS YOU ABOUT
THE RESULTS OF OUR DIFFERENT PROJECTS**

The TRIO manual has been published

The English version of the manual for citizens, educators, and policymakers has been completed and can be found on the website. The content is based on the outcomes of the European and national reports, which are available as well.

Community Scouts project has launched!

The new Erasmus+ project is led by AFEdemy and aims at empowering citizens and professionals to provide essential support to older adults in their communities. This project is set to launch a comprehensive training and toolkit designed to empower citizens in supporting older adults within their communities.

SAA Game development

One of the Smart Against Ageism (SAA) project's main results is an educational game. The content is based on real-life experiences of older adults that were collected in interviews at the beginning of the project. With this game, learners should understand how ageism can be reflected in different areas of everyday life.

AFECO's first project webinar

On January 23, 2024, the AFECO consortium organized the first project webinar, dedicated to present the outcomes of the project's first phase. More than 30 people across Europe attended the webinar. The first phase of the project consisted of defining the needs, making a comparable analysis and delivering a baseline report. During the webinar, some interesting findings were shared.
