

CULTURE ON PRESCRIPTION

NEWSLETTER #4 | April 2024

Welcome to the fourth and final newsletter of the Culture on Prescription Erasmus+ project! This project started on the 1st of January 2022 and has now come to an end. You can find more information about the project results on our website: culture-on-prescription.eu.

IN THE SPOTLIGHT

Project results presented at the EAEA event

The European Association for the Education of Adults (EAEA) hosted a successful final event for Culture on Prescription where international experts discussed the results of the project and how to implement them in the future.

Recommendations on how to implement Cultural Prescribing

Did you know that cultural activities such as art, music and theatre can increase emotional well-being, strengthen the sense of community, and thus counteract feelings of loneliness and isolation? We have compiled success factors for individual countries and general recommendations for adopting a Culture on Prescription programme for decision-makers in municipalities and associations.

Insights from recent pilot courses

Through pre- and post-course surveys, we have collected valuable data shedding light on the effectiveness of our interventions in promoting well-being and alleviating loneliness. You can read more about the insights by clicking the button below.
