Annex 6 - Assessment Toolkit and Training

Thank you for participating in the training. With this training, we aim to provide you with the right tools to independently assess the physical accessibility of buildings.

To continuously improve the training and the toolkit, we value your feedback. This form allows you to share your thoughts on the content, structure, and usability. Your input will help us further tailor the training and toolkit to practical needs.

Completing the form will only take a few minutes. Thank you very much for your contribution!
