The Testteams4ALL project is almost complete.

The Testteams4All project is coming to an end. The results of the project will be presented on 23 September 2025. Over the past 18 months, AFEdemy has worked with Voorall and Dito to determine how existing buildings can best be tested with people with disabilities.

International meeting

On 23 September at 10:00 a.m. (CET), we are organising an online meeting to present the TestTeams4All toolkit & training. With this toolkit and training, you will receive people with disabilities the means to test buildings for accessibility themselves.

Would you like to get started in your organisation or country? Register and be inspired!

Are there opportunities for a follow-up?

The Testteams4All consortium wants to explore the possibilities for a follow-up to the project. Based on an Erasmus+ grant, they will present various options to the participants of the final meeting and discuss with them what might be interesting to set up with another consortium.
